PHANTOM

MSRP: \$3,299

AVAILABLE ACCESSORIES

The Phantom Hunting Blind is a perfect size for the solo hunter that may bring the next generation hunter with on occasion. You won't find a square blind with better viewing capabilities. The oversize windows stretch across the walls providing excellent visibility and shot opportunities. The Phantom features our unique Durabond Panel System giving it exceptional strength meant for generations of use.

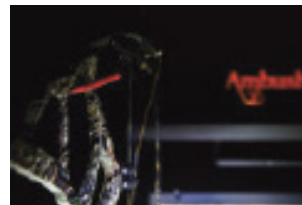

Being aluminum framed and fully insulated gives you the rigidity and comfort for any weather conditions. The Phantom hunting blind is 5'x5' with 4 windows and equipped with four leg brackets that accept a 4"x4" for added elevation.
