

HUNTING BLIND ACCESSORIES

Ambush Hunting Blind 5' & 10' Elevation Kit

Get your blind off the ground and out of the line-of-site. Better sight, better shots and better overall hunting with an elevation kit from Ambush.

Hunting Blind Light Kit

The light kit comes with a 12" LED light bar and a USB/12V charging port.

Hunting Blind Bow Hanger

Get your bow or other gear off the ground with these convenient bow hangers. Folds in when not in use.

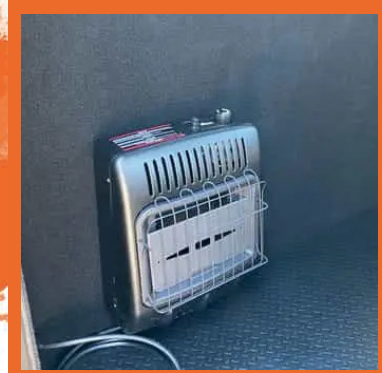

Hunting Blind Solar Charging Kit

The hunting blind solar charging kit comes complete with a solar panel, an LED light bar and a USB/12V charging port.

WHY AMBUSH?

- Industry leading 5 year "We've got your back" warranty
- Ultra quiet
- Insulated
- Strong
- Comfortable
- No wood in floor - will not rot
- Tight - keeps bugs, bees out of blind
- Black interior carpet dampens sound and conceals hunter

The bottom line? At Ambush, we don't cut any corners and we don't compromise on quality. We build every blind to last a lifetime. Come join the Ambush family today.

Hunting Blind Ventless Heater

This ventless heater will keep your Phantom or Stalker hunting blind nice and toasty when the temperature dips. Requires a user supplied LP tank.

Hunting Blind Vent Covers

Camouflage your scent by covering your 3" vents. This vent cover will slide over your 3" round vent open or closed depending on your need.

Hunting Blind Steel Cup Holder

Up your cupholder game. This bad-boy is made out of sturdy steel and is powder coated black. Designed to hold a can, bottle or tumbler of your favorite beverage.

HUNTING BLINDS

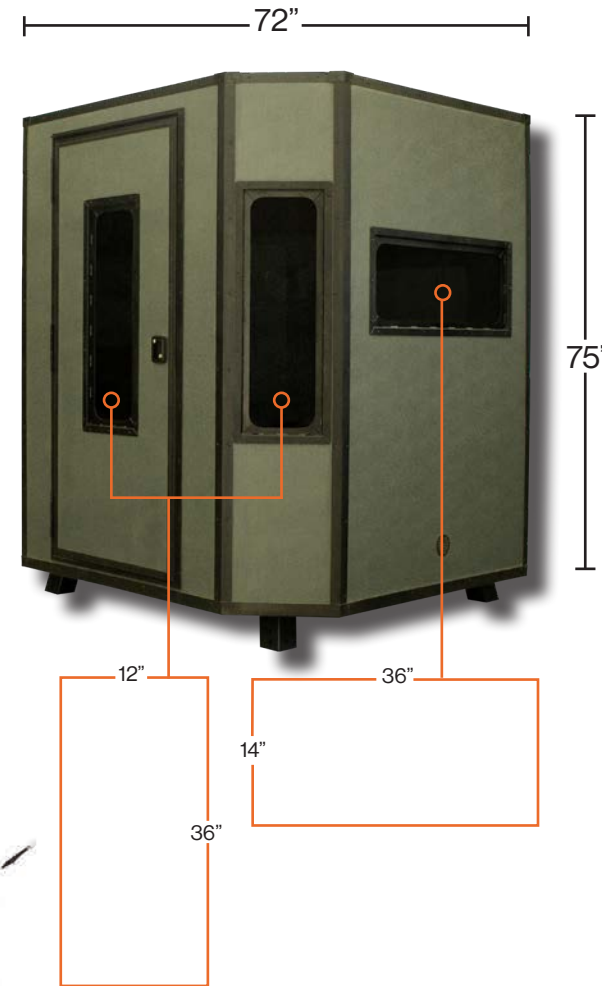

Spend more time "out there"

AMBUSH BLINDS

STALKER HUNTING BLIND

MSRP: \$6,350

The Stalker's octagon shape, with 8 total windows, provides 360 degree shot opportunities with either rifle, shotgun, crossbow, or bow. Because of the Stalker's size it can accommodate more than one hunter - perfect for children or grandchildren. The Stalker is equipped with four leg brackets that accept 4X4's if you choose to build your own blind elevation stand. The leg brackets are also designed for our 5' or 10' powder coated steel blind stands. Packed with features, our flagship hunting blind has it all!

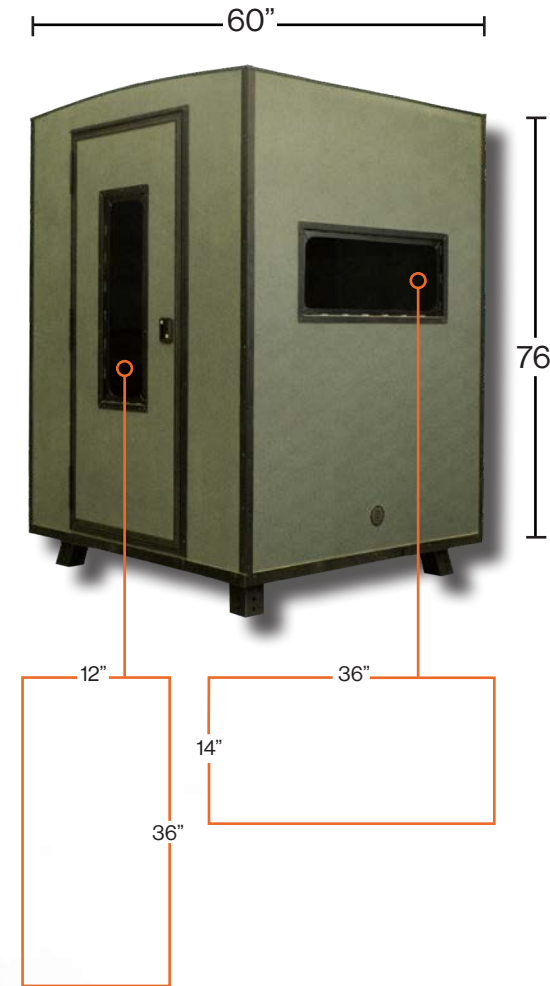

AMBUSH BLINDS

PHANTOM HUNTING BLIND

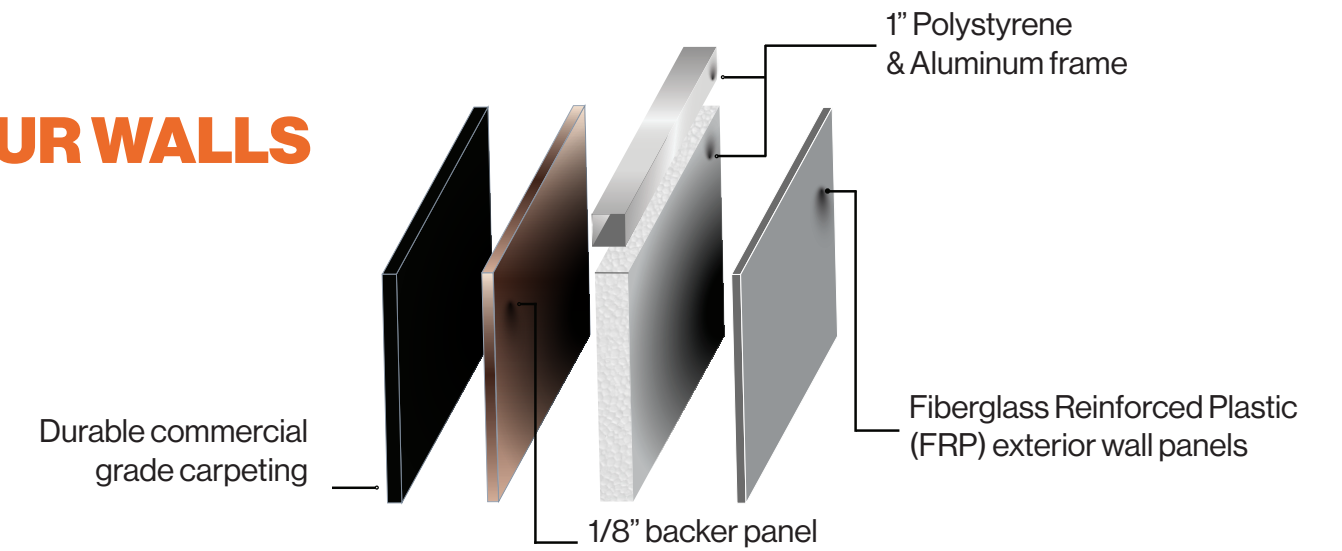

MSRP: \$4,450

The Phantom is 5' x 5' with a bowed roof - perfect for a single hunter. The unit is perfect for a single hunter. The window size and configuration offer the perfect blend of shot opportunities and concealment. The Phantom features the same quality construction methods as the Stalker. Equipped with 4" X 4" leg brackets, this stand is equipped to accept the Ambush blind stand elevation kit or you can build your own blind stand using 4X4 dimensional lumber.

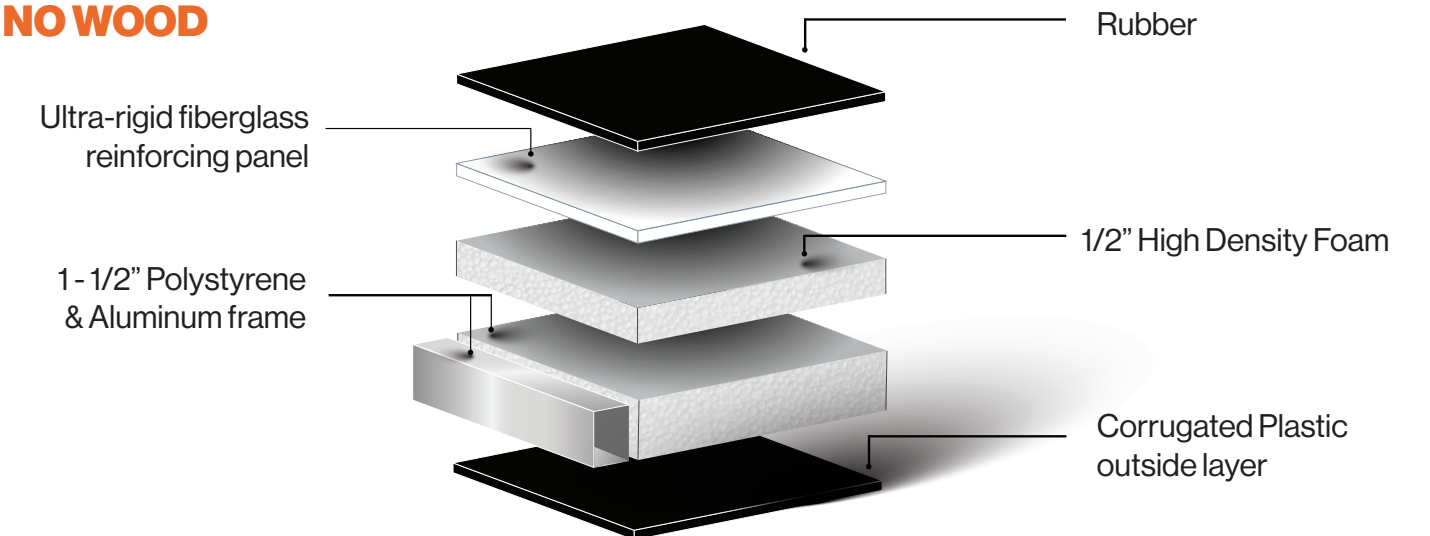

A BETTER BUILT BLIND

OUR WALLS

OUR FLOORS NO WOOD

OUR WINDOWS

Ultra quiet, hinged operation with 3 levels of water penetration protection:

- 1) Rubber automotive grade seal.
- 2) Felt pile keeps bugs out and provides tight seal.
- 3) Inside channel with weep holes to the outside.

Tinted glass, conceals and does not scratch like plexiglass/acrylic.

OUR DOORS

A 30" by 70" door with an aluminum frame, lockable paddle latch, insulation, and automotive grade weather stripping.
