

# Skid House Nomenclature

The name of each of our models corresponds to the size of the unit:

Slammer = 8' X 14'

Shanty = 6/5' X 14'

Slayer = 6.5' X 10'

Stryker XL = 6' X 8'

Stryker = 5.5' X 7'

H = Holes

The number preceding the H is how many angling holes are in the unit.

The following letter is the unit configuration.

C = Center hole configuration

P = Perimeter hole configuration

S = Single Spear

DS = Dual Spear

L = L configuration

When offsetting a hole to accommodate heat, add a - O = offset
